

ECS III IT Solutions and Product Procurement

NIH ECS III Contract # HHSN2639999004711

Govplace Solutions

Govplace is a leading provider of systems integration and innovative IT solutions for the public sector.

Govplace combines public sector experience and understanding with a comprehensive and relevant technology ecosystem to deliver innovative IT solutions to government and education. Govplace applies a unique, performance-based approach to our engagements – focusing on, and being accountable to the results our customers expect.

Govplace technology and business solutions drive results related to:

- Data center efficiency
- Desktop / End-user environment – management and optimization
- Infrastructure as a Service (IaaS) / utility computing
- Program & Project Management
- Comprehensive security
- Collaborative work and analytics environments / Command-and-control infrastructure and display solutions

Product Procurement

Govplace provides a full array of IT products and solutions. With over 600,000 hardware and software products in our catalog, and the ability to source most anything else, Govplace can fulfill your IT product procurement request.
